## SHERAEXACT 85

Condensation cure silicone putty, shore hardness A 85

### 1. Substance / preparation and company name

**Product name:**

SHERAEXACT 85

**Supplier:**

SHERA Werkstoff-Technologie

GmbH & Co. KG

Espohlstr. 53

49448 Lemförde

Germany

Tel.: +49 54 43 - 99 33 - 0

Fax: +49 54 43 - 99 33 - 100

### 2. Composition / Details of components

**Chemical properties**

Polydimethyl siloxane.

### 3. Possible dangers

None, if the product is used in accordance with the instructions.

### 4. First aid

**After contact with skin**

If product comes into contact with skin, rinse off with plenty of water and soap.

**After contact with eyes**

If product comes into contact with eyes, immediately irrigate thoroughly under running water and seek medical attention.

**After ingestion**

If ingested, rinse out mouth thoroughly and if necessary seek medical attention.

### 5. Fire fighting

**Suitable fire fighting agents**

No restrictions in case of fire.

### 6. Action in the event of accidental release

**Person-related precautionary measures**

No special measures necessary.

### 7. Handling and storage

No special measures necessary.

In case of storage at or below room temperature shelf life will be extended.

### 8. Exposure limits and personal safety equipment

**Protection and hygiene measures**

The customary precautionary measures for handling chemicals are to be observed.

### 9. Physical and chemical properties

**Appearance**

Form: elastic

Colour: grey

Odour: neutral

**Safety details**

Density

approx. 1.7 g/cm<sup>3</sup>

Solubility in water

insoluble

### 10. Stability and reactivity

#### Substances to be avoided

Strong oxidants.

#### Hazardous products of decomposition

No decomposition if product is stored and used correctly.

### 11. Toxicology information

After several years of experience no hazardous influences are known for its use under consideration of adequate hygiene measures.

### 12. Ecology information

#### Details on elimination (persistence and degradability)

Must not reach lakes, rivers or sewage system.

Must not reach soil.

#### Water pollution class

WPC: 1 (self assessment)

### 13. Disposal instructions

#### Product remains

Has to be recycled according to the instructions of local authorities.

#### Contaminated packaging

Are to be treated like the product.

Non-contaminated packaging can be taken for recycling.

### 14. Transport information

Non-hazardous good in sense of general transport regulations.

### 15. Regulations

#### Identification requirement according to Hazardous Substances Regulations / EU Directives

No requirement.

### 16. Other information

This information is based on the state of knowledge and experience pertaining on the date of issue. The information is not to be taken as a guarantee of general properties. It should neither be changed nor transferred to other products. Duplication in an unchanged state is permissible.
